Subject:

Reference to AS/NZS 62087.1:2004

Background:

AS/NZS 62087.1:2004 (the test standard) was superseded by AS/NZS 62087.1 (Int):2009. AS/NZS 620897.1 (Int):2009 was superseded by AS/NZS 62087.1:2010 which was approved as a full standard in January 2010 and published in February 2010.

AS/NZS 62087.2.1:2008 (the MEPS standard) has not yet been updated to reference this change in editions of the test standard.

This has created an error in the AS/NZS 62087.2.1:2008 MEPS standard where AS/NZS 620897.1:2004 is referenced when it should now be AS/NZS 62087.1:2010.

Ruling:

Any reference of AS/NZS 620897.1:2004 in the standard AS/NZS 62087.2.1:2008 shall be replaced by AS/NZS 62087.1:2010.

Proposed revisions to the Standard:

Any reference of AS/NZS 620897.1:2004 in the standard AS/NZS 62087.2.1:2008 shall be replaced by AS/NZS 62087.1:2010.
